● ABOUT ME

Senior Medical Biller | Revenue Cycle Management (RCM) Professional

Dedicated and results-oriented **Senior Medical Biller and Revenue Cycle Management (RCM) Professional with 5+ years of experience in US healthcare medical billing**. Currently working onsite with a medical billing company, with extensive hands-on experience in the complete medical billing and revenue cycle process.

Experienced in **claims processing, accounts receivable (AR) follow-up, insurance eligibility and benefits verification, denial and rejection management, payment posting, EOB/ERA review, claim status follow-up, corrected claims, appeals, prior authorization support, credentialing, and patient account management**.

Strong knowledge of the **US healthcare revenue cycle**, with a proven ability to identify and resolve billing issues, reduce outstanding AR, manage denials, improve claim accuracy, and support timely reimbursement. Skilled in maintaining accurate documentation, protecting confidential patient information, and communicating professionally with healthcare providers, insurance companies, and billing teams.

Key Competencies

- US Medical Billing & Claims Processing
- Revenue Cycle Management (RCM)
- Accounts Receivable (AR) Management & Follow-up
- Denial & Rejection Management
- Insurance Eligibility & Benefits Verification
- EOB/ERA Review & Payment Posting
- Claim Status Follow-up
- Corrected Claims & Appeals
- Prior Authorization Support
- Credentialing & Enrollment Support
- Patient Account Management
- Insurance Company Communication
- HIPAA/Patient Data Confidentiality
- Medical Billing Documentation & Compliance

Career Objective:

Seeking opportunities as a **Senior Medical Biller, RCM Specialist, AR Specialist, Denial Management Specialist, or Medical Billing Team Lead**, where I can utilize my experience to improve revenue-cycle efficiency, reduce outstanding receivables, and contribute to the financial performance of healthcare organizations.

● EDUCATION & TRAINING

2012/01/12 - 2016/01/01 - ISLAMABAD, PAKISTAN

MASTER OF COMPUTER APPLICATIONS- UNIVERSITY OF MANAGEMENT AND TECHNOLOGY - UMT

Completed a Master of Computer Applications with a focus on computer applications, information technology, programming, database management, software development, and computer systems. Developed strong analytical, problem-solving, and technical skills through academic coursework and practical projects. The program enhanced my ability to work with technology, manage digital information, and apply computer-based solutions in professional environments.

Final grade: 3.03/4 | **Level in EQF:** 7

● **WORK EXPERIENCE**

- RAWALPINDI PUNJAB, PAKISTAN

● **MTBC PAKISTAN (MEDICAL BILLING SPECIALIST | US HEALTHCARE BILLING | CLAIMS SUBMISSION)**2019/08/03 - 2022/08/06

As an RCM professional, my responsibilities include ensuring clean, accurate claims, resolving insurance denials, following up on outstanding accounts, posting payments and adjustments, managing patient balances, and maximizing timely reimbursement. Effective RCM helps healthcare organizations reduce revenue leakage, improve cash flow, minimize claim denials, and maintain a healthy revenue cycle.

Key RCM areas:

- Patient Registration & Demographics
- Eligibility & Benefits Verification
- Prior Authorization
- Medical Coding & Charge Entry
- Claim Submission & Scrubbing
- Payment Posting & ERA/EOB Review
- Denial Management
- Accounts Receivable (AR) Follow-up
- Patient Billing & Collections
- Appeals & Claim Reconsideration
- Reporting & Revenue Analysis

● **JDC GROUP(US HEALTHCARE BILLING | CLAIMS SUBMISSION | PAYMENT POSTING | DENIAL & AR MANAGEMENT | RCM)**2025/09/01 - 2026/03/04

Handle end-to-end US medical billing and Revenue Cycle Management (RCM) processes.
Prepare and submit accurate insurance claims and monitor claim status.
Perform payment posting, denial management, AR follow-up, and account reconciliation.
Verify patient insurance eligibility and benefits.
Identify and resolve claim rejections, denials, and billing discrepancies.
Follow up with insurance companies regarding outstanding and unpaid claims.
Maintain accurate billing records while ensuring compliance with healthcare billing requirements.
Analyze AR aging and denial trends to support timely collections and improve revenue performance.

2022/06/04 - 2024/08/10 - KARACHI PAKISTAN, PAKISTAN

ICONX SOLUTIONS(REVENUE CYCLE MANAGEMENT (RCM)MANAGER)

Managed and supervised end-to-end Revenue Cycle Management operations for US healthcare clients, ensuring accurate and timely billing, claims processing, and reimbursement. Led medical billing teams, monitored accounts receivable (AR), and coordinated claim follow-up and denial resolution.

Key responsibilities:

Managed daily RCM and medical billing operations for US healthcare practices.
Supervised billing staff and assigned workloads to ensure timely task completion.

Oversaw claims submission, claim status follow-up, payment posting, and reconciliation.
Monitored AR aging and implemented follow-up strategies to reduce outstanding balances.
Managed claim denials and rejections, including investigation, correction, resubmission, and appeals.
Reviewed EOBs/ERAs and ensured accurate payment posting and account adjustments.
Coordinated insurance eligibility and benefits verification.
Monitored billing performance, productivity, and key RCM metrics.
Communicated with healthcare providers, insurance companies, and internal teams to resolve billing issues.
Ensured accurate documentation, data confidentiality, and compliance with healthcare billing requirements.
Prepared reports and provided management with updates on billing performance, AR, denials, and collections.
Supported process improvements to increase billing accuracy and improve revenue collection.

2024/09/03 - 2025/08/02 - KARACHI PAKISTAN, PAKISTAN

ZEPHYR SOLUTIONS LIMITED(MEDICAL BILLING & CODING SPECIALIST | US HEALTHCARE RCM | CLAIMS & DENIALS | AR FOLLOW-UP)

I provide remote Revenue Cycle Management (RCM) services for healthcare providers, managing the complete billing cycle from patient registration and insurance verification to claim submission, payment posting, denial management, and AR follow-up.

My remote RCM responsibilities include eligibility and benefits verification, prior authorization, charge entry, claims processing, EOB/ERA analysis, payment posting, denial resolution, appeals, and accounts receivable follow-up. I work remotely to help healthcare organizations reduce claim denials, improve collections, accelerate reimbursement, and maintain a healthy cash flow.

Professional Focus:
